

Teamwork Quiz

Class:

Team Name:

This quiz is about teamwork. Find out who is good at design, writing, science, art and maths and use the best people for each task. Remember EVERYONE in the team has to complete at least one challenge.

What is the longest word you can find in the exhibition?

What does it mean?

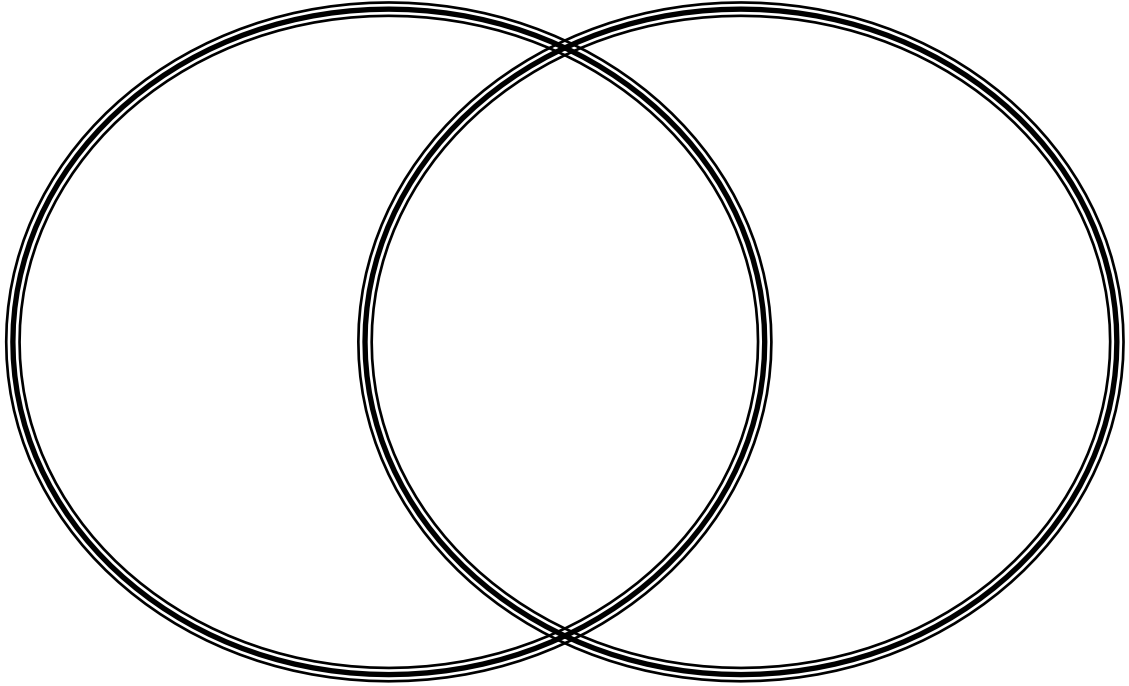

In Our Origins is a stone with cup and ring markings. Can you work out a game you could play using these markings, perhaps using pebbles for counters or playing pieces?

What you have to do in our game:

Rules of our game:

Our Origins shows some of our close relatives.
Use the picture frames to draw or write about the things which make us different.
Use the overlap (intersection) to draw or write about the things that we share.

Use your imagination to design graphics for the words DESERT and ARCTIC on the pictures below.

Find a word in the exhibition that can have more than one meaning.

Our word:

Meaning One

Meaning Two

Can you work out the top speed of a Tuk-tuk?

How did you work it out?

Imagine that you go to live in the desert or the Arctic.

Write a short poem to describe what it is like to your friends:

Look at the examples of building materials from round the world.
How many are natural and how many are man made? Make two lists in the boxes below.
Can you think of any other examples that aren't in the exhibition? Add them to your lists.

| Natural | Man-made |
|---------|----------|
| | |

Design a SIGN which points to a RECYCLING point.

What is the most important thing your group wants everyone to remember after today?
