

**Completing the evaluation resources is a crucial part of completing Learning Lab: Powering the Future.** The table below explains how to complete each stage and when it should be completed.

Even if you don't use every resource, it is still necessary to complete the evaluation.

Resource	Sharing instructions
<b>Worksheet – How Do I Feel About Science?</b> Should be completed by each pupil <b>before</b> beginning the programme.	Photos or PDFs of completed worksheets can be shared in the following ways: <ul style="list-style-type: none"> <li>• By email to:</li> <li>• If you are using Microsoft Teams to access the resources, you can create a folder for your school within the Evaluation folder and upload there.</li> <li>• If you are using Google Classroom you will see you have an assignment for both evaluation worksheets. You can upload files within these assignments.</li> </ul> Alternatively you may choose to post completed worksheets to:
<b>Worksheet – What Did I Learn?</b> Should be completed by each pupil <b>after</b> you have taught the final lesson.	
<b>Teacher evaluation</b> Should be completed <b>after</b> you have taught the final lesson.	The digital evaluation form can be found at the following web address:
